Defence SA

Air Vice-Marshal Neil Hart (Ret'd),
Chair, Queensland Space Industry Reference Group & Strategic Defence Advisor for Aerospace,
Queensland Government

Flavia Tata Nardini, *Co-Founder & CEO,*
Fleet Space Technologies

ADM Space Summit

Tuesday 30 April 2019

9:00 **OPENING** | Opening remarks from the ADM Managing Editor and Chair

Katherine Ziesling, *Managing Editor, ADM*

CURRENT POSITION OF AUSTRALIA'S SPACE SECTOR

9:10 **MINISTERIAL ADDRESS**

Hear from the Minister responsible for developing Australia's space industry on the Government's approach to the sector and how it's future will support the prosperity of the country.

The Hon Karen Andrews,
Minister for Industry, Science and Technology

9:40 **KEYNOTE**

Outlining the Role of the Australian Space Agency in Growing a Commercial Space Sector

- Hear from the Australian Space Agency on its role in developing a domestic space sector and coordinating international space relationships
- Generating a thriving space industry able to contribute to the wider economy
- Highlighting how current regulations and legislations impact the industry
- What is the potential for the overall industry - How economically powerful, domestically important and internationally respected can it be?

Anthony Murfett, *Deputy Head, Australian Space Agency*

10:10 **The Defence Force's Involvement in Space**

- How is the Defence Force supporting the development of space technologies?
- Space as a military frontier
- How will Space shape the future of the Defence Force?

10:40 Morning Tea and Networking Break

11:10 **Australia's Space Future and Australia's Position in Global Space Expansion**

- Developing and building a globally competitive, domestic space sector
- The value of space to the economy and national security
- What is the potential for Australia's space capability?

Dr Malcolm Davis, *Senior Analyst, ASPI*

INDUSTRY INVOLVEMENT

11:40 **Industry and Government Collaboration: Airbus' Role in Increasing Australia Space Sector Capability**

- Developing technology and improving local skill sets to support the sector
- Strengthening partnerships between Industry and Government
- Incorporating local SME's into projects
- Transforming space industry

Valentin Merino, *Head of Defence and Space Australasia, Airbus*

12:10 **Joint Research and Development of Space Technologies Program**

- An insight into the current partnership between CSIRO and Boeing
- How will collaboration drive the development of technology, innovation and skills in the sector?
- Looking to the future: what do Boeing and CSIRO aim to achieve?

Michael De La Chapelle, *Senior Technical Fellow, Boeing Defence Space & Security*

12:40 Lunch

CURRENT PROJECTS

13:40 **Gilmour Space Technologies: Current Commercial Space Objectives**

- What does the future hold for commercial space exploration?
- Ongoing and future projects of Gilmour Space Technologies
- How far can Australia's domestic launch capability support commercial operations?

Adam Gilmour, *Director, Gilmour Space Technologies*

14:10 **Outlining the Operational Capacity, Capability and Future Potential of Australia's First Commercial Space Port**

- What is the Arnhem Space Centre Project?
- What is the Domestic Launch Capability?
- How will the project support local business and people and improve local skills?

Scott Wallis, *CEO, Equatorial Launch Australia*

STATE PROSPECTS

14:40 **Australian Benefits Flowing From Asia-Pacific's First Commercial Spaceport**

- The value of the Arnhem Space Centre's (ASC) venture to the Australian Space Ecosystem and the broader community
- The ASC launch capability – vehicles, orbits and customers
- Industry engagement with the ASC
- Australia's Space Industry in 2030 – a pragmatic conversation

Carley Scott, *CEO, Equatorial Launch Australia*

15:10 Afternoon Tea

15:40 **Queensland role in the development of an Australian Space Industry**

- Developing, designing and manufacturing technologies within the state
- Creating jobs and supporting Queensland's economy
- Supporting space industry

Air Vice-Marshal Neil Hart (Ret'd), *Chair, Queensland Space Industry Reference Group & Strategic Defence Advisor for Aerospace, Queensland Government*
